How can a subscription to FundEd help?

# How can FundEd help?

FundEd is a time-saving toolkit for school leaders which provides a comprehensive range of proven income generation solutions, expert guidance and practical tools, enabling you to raise funds quickly, develop new skills, and build resilience for the future.

## FundEd Magazine

This termly publication is packed with expert guidance across grant fundraising, crowdfunding, establishing business partnerships, running successful events and efficiency savings

## PTA+ Magazine

Find inspiration and get practical guidance from this termly magazine. With day-to-day fundraising ideas and proven solutions from PTAs that each raise an average of £8,000 per year

'At a time when austerity measures are hitting education hard, it is crucial that schools get proactive to source funding in order to enrich the school curriculum. FundEd is a one-stop shop that helps us do just that!'  
**Lubna Khan, Headteacher, Berrymede Junior School, London**

## Knowledge bank

Save time and maximise your results with step-by-step event-planning guides, crowdfunding handbooks, templates and guidance on fundraising for specific projects

## Grant funding tools and tips

We check that all the grant-giving trusts and foundations featured support schools. The database is backed up by examples of previously-funded school projects and expert bid-writing guidance
